- Question for group work:
What support (means, methods, support) should be offered to (prospective) teachers of religion on the part of those responsible, given the experience of teaching religion in the period of the pandemic in Europe? - 20 min.

 - Tool: Padlet
 - Presentation of the results in the forum
6. Break: 5 min.
7. Meeting in the EuFRES-forum:

Exchange of (also personal) experiences on the topic:

 1. *What broader ideas/impulses/consequences do you take from your experience as a religious educator with the pandemic?*
 2. *What message would you give to religious educators in Europe after the experience of the pandemic? (For the final communiqué)*

Participants are given the opportunity either to speak personally or to formulate their thoughts in the padlet. These thoughts should be incorporated into a joint text (final communiqué). This text should be edited by the EuFRES Board of Trustees one week after the conference and sent to all participants and the media.
8. Closing words - EuFRES President Univ. Prof. Dr. Roman Buchta
